NEW BUSINESS * * * *

Short Term Disability – Fire Chief Jenkins requested the Board of Works to approve 30 days of short term disability for Matt Connolly. Connolly hurt his knee while at work and had surgery on March 7th. Jenkins spoke with the insurance company for Workman's Comp and was told that all they paid was the medical portion. Jenkins said Connolly used his personal/sick days up until the 12th of March. Copley said that in the past the employee also had to use any available vacation time also. Jenkins pointed out that the handbook only says that sick/personal time must be used it does not say anything regarding vacation time.

Connolly's next doctor's appointment is April 13.

Mull made a motion to approve the 30 day short term disability with the City paying 63% of Connolly's wages contingent upon review by the City Attorney to determine if the vacation time should also be used before the short term disability goes into effect. Herbert seconded the motion. Motion carried.

There was no further business to come before the Board of Works; Mull made a motion to adjourn. Herbert seconded the motion. The meeting adjourned at 9:18 a.m.
